## **Profile**

Seeking a dynamic position within the fashion industry where I can leverage my Master's degree in Communications, strong organizational skills, and leadership abilities to support styling, brand representation, and creative initiatives. Experienced in visual storytelling, client-focused communication, and hands-on styling, with a passion for curating polished looks that align with personal brand identity and current fashion trends. Adept at exercising independent, professional judgment to coordinate and execute styling projects, brand collaborations, and client experiences in fast-paced, creative environments.

---
